About iGo, Inc.

iGo, Inc., based in Scottsdale, Arizona, is a leading provider of power management solutions, including eco-friendly chargers for laptop computers, netbooks and mobile electronic devices (e.g., mobile phones, PDAs, digital cameras, etc.). All of these chargers leverage iGo's intelligent tip technology, which significantly minimizes electronic waste by enabling one charger to power/charge hundreds of brands and thousands of models of mobile electronic devices through the use of interchangeable tips. iGo is also the creator of a new, innovative patent-pending power saving technology that automatically eliminates virtually all wasteful and expensive standby or "vampire" power that is generated from chargers that continue to draw electricity when a mobile electronic device no longer requires charging or is disconnected from the charger.

iGo's products are available at www.iGo.com as well as through leading resellers and retailers. For additional information call 480-596-0061, or visit www.igo.com.
